

Fund Raising Event

Bottle and Can Drive on

Our group is collecting beverage bottles and cans as part of a fund raising event. We will be dropping back by your residence on the date shown to gather bottles and cans. The money will be used to pay for trophies, and other expenses related to our Youth Club activities for the upcoming summer. If you would like to donate any cans and bottles, just gather them up and set them out on your porch on the morning shown. We will be canvassing the neighborhood on that day. We would also be more than happy to take any monetary donation you want to make.

Michigan Bass Anglers is a club that focuses on having fun, teaching others, and preserving the sport of bass fishing for generations to come. We know that today's youth is the future of our sport and we want to provide them with an atmosphere to learn all about bass fishing that is safe and fun.

As a Junior Club Member the kids will learn about all facets of bass fishing, including boating, from Senior Club members, sponsors, and local tournament professionals. They will bass fish in youth tournaments in real bass boats and be able to fish in the Michigan Youth State Championship sponsored by the Michigan Bass Federation. It is possible to start in our club and qualify all the way to the Jr. Bassmaster World Championship. We encourage all prospective members to come to a few meetings to see what the Jr. club is all about. They usually last a few hours and are run by our Junior members. Please come and check us out!

Please visit our Club Web Site at <http://www.michiganbassanglers.net> and click on "Junior Club" to learn more.
