

Michigan Bass Anglers

Junior State Championship Fund Raiser

The Junior Michigan Bass Anglers are planning on going to the 2008 Michigan BASS Federation Junior State Championship at White Lake, in Whitehall Michigan in June. The plan at this point is to send Eight Junior Club Anglers to the tournament along with 4 of our club member boaters. The club was just recently formed and we will be raising funds to finance our State Championship tournament trip cost. We estimate the trip will cost us about \$1,700 over all. That would cover vehicle gas, boat gas, lodging, food and entry fees.

As part of the fund raiser, we will be offering sponsorship ads as well as doing other fund raisers through the Adult club and Junior members. Each ad or sponsorship will be placed on our web site in return for funding. For significant financial support, the club is offering to place patches or emblems on our apparel and tournament shirts, that will be worn during the tournament and at other tournament all season, as well as on the web site. **Click on the [Tackle Box](#) on the left to see who is helping out.**
